

One-Day Workshop

True Colors

Customized Workshop for School Leaders

for Principals and Assistant Principals

The True Colors full day Workshop for School Leaders is designed to establish meaningful and productive relationship among students, teachers, and principals. The morning session begins with **Keys to Personal Success** session. This foundational, interactive workshop introduces participants to the powerful True Colors concepts. Using genuine True Colors materials, participants will determine their True Colors personality spectrum including their most dominant color style and learn to recognize the True Colors of others.

Keys to Personal Success Session:

The core of the True Colors® system identifies intrinsic values, motivations, self-esteem, sources of dignity and worthiness, causes of stress, communication styles, listening styles, non-verbal responses, language patterns, social skills, learning styles, environmental motivators, cultural appeal, negative mental states, relationship orientation, and ethical behaviors.

True Colors Keys to Personal Success training provides:

- Increased understanding of self and others
- Expanded appreciation for valuing differences
- Communication skill-building
- Avenues for a more harmonious, productive environment
- Easy integration into existing organizational framework and previous program
- A universal language that accelerates problem solving, increases trust, and reduces conflict

The afternoon session focuses on how school leaders can identify the color spectrum of teachers and students to establish relationships and improve communication.
